### Compact and Reliable Complete Your Scan With A Simple Press

Have you ever dreamed of completing all your document-related tasks with the touch of your fingertip? The Avison AV210C2 and AV220C2 can make your dream come true. All you need to do is to place the documents to be scanned in the auto-paper feeder, then press the "Scan" button. With bare minimum amount of time and effort, you can scan an entire document into your computer whenever you need it. The AV210C2 and AV220C2 are built-in with 600 dpi high resolution, professional CCD optical scanning technology, and a large-capacity, maintenance-free auto-paper feeding assembly. With the advantage of a high-speed USB2.0 data interface and other features that cater to your every need, the AV210C2/220C2 is bound to make you outshine your business competitors!

What's more, the AV220C2 possesses the ability to perform duplex scanning in color. Other than its 600 dpi high resolution, cutting-edge CCD optical scanning technology, high-speed USB 2.0 data interface, 50-sheet feeder capacity, and a lightening-fast speed of 35 simplex (single-sided) scans or 70 duplex (double-sided) scans per minute, the Avison also comes with the exclusive software application, the Button Manager. As a custom feature, Button Manager allows you to copy, send e-mail, and perform simplex or duplex scan at the press of a button. There are also a total of 9 sets of button numbers allowing you to set your preferable scan settings or destination applications to make scan as easy as 1-2-3!

### What we have bundled

The Avison AV210C2 and AV220C2 scanners come with TWAIN and ISIS drivers and are also bundled with full version of exclusive Avison Button Manager, AVScan, Avison Capture Tool, ScanSoft PaperPort, and Kofax VRS.

### Avison's Button Manager Complete your scan in a single step

Avison's state-of-the-art software application, the Button Manager, enable you to complete complex scanning task in just a single step. When the buttoned is pressed, the scanner automatically scan your documents and convert them to a highly compressed file format, Adobe searchable PDF, or other image format and then send the file to a designated folder, or other destination applications such as e-mail, printer, or your favorable software application. The original step-by-step procedure is replaced with only a single touch of the button.

# Avision AV210C2/220C2 Sheetfed Scanner

## ScanSoft PaperPort - The Professional Choice to Organize and Share Your Documents

PaperPort is the easiest way to turn piles of paper and photos into organized files that you can quickly find, use and share. Stop wasting time searching for paper documents. End the frustration of organizing, editing and sharing your digital photographs. PaperPort makes it simple to connect your scanner and computer together to work with PDF and JPEG images just like working with paper documents right on your desktop. It is the perfect solution for your home or small office.

## Kofax VRS – The Leader of information capture software ( for AV220C2)

VRS makes scanning as easy and efficient as possible, enhances the quality of scanned images, and dramatically reduces the cost of capturing information from paper documents and forms. The useful features of VRS include scanning batches that consist of multiple document, sending alerts for paper jams and equipment conflicts, performing auto deskew without character degradation, auto brightness settings that are optimal for your document type, contrast enhancement for faint content, and suppressing any background or noise to yield smaller image file sizes.

## Avision Capture Tool

Avision Capture Tool is a simple and easy-to-use test program. With this tool, you can perform simple scans and view the captured images. In addition, it helps you complete your scan at a rated speed.

## Button Manager Deliver and Manage Your Document Better on the Internet

### Fit for both first-time and experienced users alike

For first-time users, Avison's Button Manager provides a true ease-of-use with the 9 pre-configured file formats and destinations. For advanced users, Avison's Button Manager makes full customization possible. For example, you can change scan settings, file formats, or even add new destination software application to fit your own scanning needs.

### Automatically converts to Adobe certified searchable PDF

Incorporated with Adobe's PDF scan library, Avison's Button Manager allows users to scan and convert document to a increasingly popular and effective compression file format, Adobe searchable PDF, to share and manage high volume or high-resolution color documents on the internet in an unprecedented high quality and speed.

### Adobe Searchable PDF makes document management better

For many years, Adobe PDF files have become one of the most widely used file format for distributing digital documents on the internet especially for financial service, governments, and manufacturing industries which have a high demand to digitize and store the massive amounts of paper-based information on a daily basis. Now, with Avison solutions enabled by Adobe's PDF Scan Library, users will have more features to create, make searchable, compress, secure, share, and archive files at the high speed of 7.5 pages per minute and with an accuracy rate of 97.75% (in-house assessment sample). Heavy duty paper documents stored in large cabinets can be saved and managed more effectively to digital format by searching key words in a few seconds.

*\*DjVu: Button Manager is able to convert your image file to a DjVu format, yet this is an optional and special edition.*

## Avision AV210C2/AV220C2 Product Specifications

Throughput Speed:	AV210C2: 35 PPM (at 200 dpi, A4 size)	AV220C2: 35 PPM / 70 IPM
Scanning Mode:	AV210C2: Simplex	AV220C2: Duplex
Scanning Technology:	Color Charged-Coupled Device ( CCD )	
Color Depth	48 bits ( input )	24 bits ( output )
Recommended Daily Volume:	Up to 3,000 pages per day	
Optical Resolution:	600 dpi	
Light Source:	CCFL
