Avision

AV220C2PLUS

Avision AV220C2PLUS possesses the ability to perform duplex scanning in color. Other than its 600 dpi high resolution, cutting-edge CCD optical scanning technology, high-speed USB 2.0 data interface, 50-sheet feeder capacity, and a lightening-fast speed of 40 PPM in simplex mode and 80 ipm in duplex mode,

The AV220C2PLUS also comes with the exclusive software application, the Button Manager. As a custom feature, Button Manager allows you to copy, send e-mail, and perform simplex or duplex scan at the press of a button. There are also a total of 9 sets of button numbers allowing you to set your preferable scan settings or destinations to make scan as easy as 1-2-3!

Features

- Duplex scanning at 80 images per minute. The Scanning speed at Color or Grayscale is the same with B/W.
- Support long-sheet, business card, credit card and ID card Scan.
- One button functionality allows you to assign up to nine scanning applications and perform at the touch of a button
- Automatic image cropping and straightening at full scanning speed.
- Fast USB 2.0 interface for plug-and-play connectivity and rapid transfer of images.
- Industry-standard ISIS and exclusive Avison-developed TWAIN driver to achieve rated speeds and easy integration.
- Professional bundled software includes Avison Button Manager, Avison Capture Tool, PaperPort
- Brightness and contrast controls to customize color output for specific applications.

AV220C2PLUS SPEC.
